

Public Notice – Environmental Project

PURPOSE OF NOTICE:

The Department of Environmental Quality seeks public comment on the state's response to the environmental aspects of a proposed project in Prince William County, Virginia.

PUBLIC COMMENT PERIOD:

September 11, 2009 to October 9, 2009

TYPE OF RESPONSE:

Federal Consistency Determination

DEQ is reviewing a federal action to determine if it is consistent with the Virginia Coastal Resources Management Program (VCP) established pursuant to the U.S. Coastal Zone Management Act. The VCP seeks to protect the quality of air, water or other natural resources in Virginia's coastal area.

NAME OF AGENCY PROPOSING THE PROJECT:

National Park Service

PROJECT DESCRIPTION:

The National Park Service has submitted a federal consistency determination (FCD) regarding road and parking lot improvements in Price William Forest Park. The project would include resurfacing, restoring, rehabilitating and reconstructing park roadways and parking lots; replacing signs, guardrails and culverts; and reconditioning stone and asphalt paved waterways. Two parking lots may be expanded and an intersection may be reconfigured. The FCD finds the proposed project to be consistent to the maximum extent practicable with the enforceable policies of the Virginia Coastal Resources Management Program.

HOW TO COMMENT:

DEQ accepts comments from the public by e-mail, fax or postal mail. All comments must include the name, address and telephone number of the person commenting and be received by DEQ within the comment period. The public may review the project documents at DEQ's central office in Richmond.
